SUMMARY

Enthusiastic and experienced Node.js developer with a passion for creating scalable and efficient web applications. Adept at building robust back-end systems, optimizing performance, and collaborating with cross-functional teams to deliver high-quality software solutions.

EXPERIENCE Software Engineer

March 2023 - Present

Aide Solutions

- Designed and implemented RESTful APIs, ensuring seamless communication between front-end and back-end systems.
- Developed and maintained web applications using Node.js, Express.js, and other relevant technologies.
- Designed RESTful APIs, implemented authentication and authorization mechanisms, and ensured data security.
- Collaborated with front-end developers to integrate APIs and build responsive, user-friendly interfaces.
- Utilized various databases, such as MongoDB, MSSQL and PostgreSQL, for data storage and retrieval.
- Deployed applications to cloud platforms (AWS and Firebase) and optimized server performance..

Software Engineer

January 2022 - February 2023

Upperlink limited

- Designed and implemented the backend architecture, including database schema and APIs.
- Developed and maintained web applications using Node.js, Express.js, and other relevant technologies.
- Debugged and resolved issues promptly to minimize downtime.

- Worked closely with stakeholders to gather requirements and provide technical solutions.
- Collaborated closely with front-end developers, UX/UI designers, and QA engineers to deliver feature-rich and user-friendly applications.

EDUCATION

Building Engineering (Second Class Upper Division)

OCT 2014 __ Nov 2019

Nnamdi Azikiwe University, Awka

SKILLS

- **Frontend Development:** HTML5, CSS, React JS, Angular, JavaScript, Tailwind and Bootstrap5
- **Quality Assurance Tools:** Cypress, manual testing and Postman
- **Backend Development:** Node JS and Express JS.
- **Cloud Platforms:** Heroku, Amazon web Service (AWS) and Firebase.
- **Devops and Deployment :** Docker and AWS
- **Version Control:** Git, GitHub, Azure, Amazon web service (AWS).
- **Collaborative Tools:** Slack And Jira
- Practical knowledge of Mongo Db and SQL.
